Main chiller in the corner of the Parking Lot

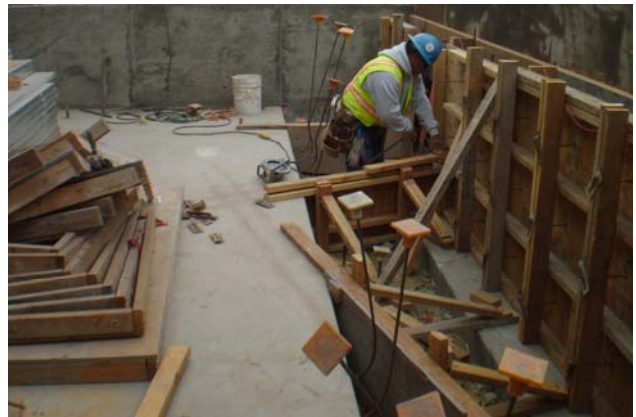

Pouring the Community Hall sub-floor

Finishing the Community Hall sub-floor

Utility work in the Parking Garage
at the Basement level

Constructing forms for the eastern wall
of the Seaborg Garden

Public Art: The Library Public Art Committee met last night with Oakland Museum and City staff to review the recommendations of the Selection Panels for the Outdoor Plaza Corridor and Children's Activity Deck. By a unanimous vote, the Committee accepted the Panels' recommendations, and forwarded a recommendation to the Redevelopment Agency that Brian Goggin be selected for the Corridor project and Kana Tanaka be selected for the Deck project. Brian's proposal is the stack of books and flying pages entitled "Excerpts". Kana's proposal includes the glass wall inserts and glass in the deck trellis, and it is entitled "Optical Streams".
