

City of Lafayette
Lafayette Library and Learning Center Project Bulletin

August 3, 2007

Construction Activities

Shoring beams are being set along the property line with Boswells at Stair #4, the exit stairs behind the solar panel structure in the parking lot.

The footings at Elevator #2 (staff elevator) were completed.

Forming of the garage column rebar cages began.

Utilities

EBMUD installed the new hydrant at Golden Gate Way and First Street.
